# Legal vocabulary knowledge in young people

There are lots of legal words used  
in youth justice and court.  
We want to learn what legal words  
you know.

**YOU MUST BE**  
**14 to 17 years old**  
**AND**  
**have never been**  
**in contact with**  
**youth justice**

## WHY SHOULD I HELP?

This research has never been  
done before in Australia.

Your help will let us tell the  
courts and youth justice what  
they need to get better in.

There's a chance to win  
1 of 10 \$20 JB HiFi  
gift vouchers.

## WHAT WILL I NEED TO DO?

- Chat with us. We will ask  
you about yourself.

- Do the legal words test.  
This will take up to 1 hour.

- We may chat with your  
parents and carers.  
We do this to get to know  
you better.
